Message from the Headteacher

A happy and prosperous New Year 2017 mums and dads, parents and carers, also to our lovely children and welcome back! I hope you enjoyed the Christmas break with family, friends and more importantly with Jesus.

We are now in our second term and we are still looking to work in partnership with you to continue to build on our previous successes. I would like to thank you again for your contributions in finances, resources and time. As a school we enjoyed the Christmas party experience that helped to remind us that we are a family indeed. We are praying that this experience be multiplied in the future. Please have a look at our job board for things that you can help with at school. (Please feel free to add whatever you believe you can offer).

Also make a note of school dates in your diaries, on family calendars, phones and tablets. We will continue to give you new information and updates as the term progresses. Enjoy the term!

Student Reward

At SOL Christian Academy all students are able to earn **merits** by demonstrating exemplary, responsible behaviour, memorising scripture, exceeding their goals, etc.

If you have any items, unused toys or gifts you would like to donate towards the merit catalogue, it will be highly appreciated.
